Tenant Relations Division  
Newark Housing Authority  
222 Market Street  
Newark 2, New Jersey

Dear Irving:

On the night of February sixteenth at 8 P.M., prior to the regular City Council Meeting, you and five other persons in our City will be honored for working in the field of human relations above and beyond the expectations of one's day-to-day job.

For the purpose of a story in our Human Relations News Brotherhood issue for the first week in February, will you please send us at once a 250-500 word autobiographical sketch of yourself. If you have a glossy print which can be reproduced, I would appreciate having it also.

Warmest personal regards.

Cordially yours,

A:m
